

CERTIFICATE

This is to certify that the company

GERRESHEIMER

Gerresheimer Regensburg GmbH

Medical Systems

Kumpfmühler Str. 2
93047 Regensburg
Germany

With the organizational units/sites as listed in the annex

has implemented and maintains a **Quality Management System** for primary packaging materials for medicinal products – particular requirements for the application of ISO 9001:2008, with reference to Good Manufacturing Practice (GMP)

Scope:

Design and development, production, distribution, trade and sales of primary packaging material and application systems as primary packaging material for medicinal products made of plastics and tubular glass as well as injection molds and automation systems for the manufacturing of primary packaging material.

Through an audit, documented in a report, it was verified that the management system fulfills the requirements of the following standard:

ISO 15378 : 2015
